

The Christian Community Family Camp, Jan 2008
Mountain Times Summer Camp – Camp Taurewa

A time for rich community life, participation, contemplation. We will start every day of our camp with morning circle for all. After breakfast the children and youth will have their own exciting group activities and adults will have the opportunity of taking part in a daily Act of Consecration of Man. You will be able to participate in a Gospel study group, artistic activities, and, before supper, in choir singing. After lunch we observe an hour of quiet - the Golden Hour of Silence. In the afternoon relax around the campsite or join in with others for outings into the mountains, to waterfalls etc.. In the evenings we will again come together as a group for evening circle, a story, singing and playing. Later the adults might even want to meet once more for a late cup of tea, a discussion group and the Close of Day Service.
